Who Is Your State's SST Point of Contact?

U.S. DEPARTMENT OF EDUCATION

A Program of the National Center for Education Statistics at IES

The **State Support Team (SST)**, an initiative of the Statewide Longitudinal Data Systems (SLDS) Grant Program, is a group of experienced state data systems experts whose primary objective is the direct support of all states in their development and use of SLDSs. The SST assists states via webinars, working groups, best practices briefs, and on-site visits. Find your state's or territory's SST Point of Contact (PoC) below (or the index on the opposite side), and reach out for assistance. A full list of SST members including their bios is also available at <https://slds.ed.gov/#program/about-the-sst>.
